

Introducing

ENDUREX

MALE LIBIDO SUPPLEMENT

Make your **SEX** life the key to a
successful marriage

ENDUREX contains natural herbal extracts, which help in:

- ▶ Boosting Libido
- ▶ Increasing Sex Drive
- ▶ Better Sexual Performance
- ▶ Increasing Strength, Stamina, vigour and Vitality

- 
- ♂ **L-Arginine** is converted into Nitric Oxide, which is important to erectile function. This gas helps blood vessel relax, so that more oxygen-rich blood can circulate.
 - ♂ **Asparagus Adscendens** is a plant mentioned in ancient science for the treatment of erectile dysfunction, lack of libido and to improve the body stamina.
 - ♂ **Tribulus Terrestris** contains a plant compound called protodioscin, which has been studied for its effect on male libido.
 - ♂ **Withania Somnifera**'s benefits for sexual health in men include - a boost in sperm count, sex drive, and testosterone levels.
 - ♂ **Pine Bark** has a significant impact on Nitric Oxide (NO) levels in the body, which is responsible for vasodilation and improving blood flow.
 - ♂ **Maca Root** is well-known for its potential to increase libido. Maca Root has been shown to protect the body against prostate cancer because of its high levels of glucosinolates, a compound known to have anticancer properties.
