## VITOL-5G AS OTC

### FOR OTC PROMOTION

- ▶ **Strengthens the immune system:** Vitol-5G helps beat the fatigue and lethargy by boosting the energy production. Vitol-5G promotes overall wellbeing and keeps you physically active and mentally alert.
- ▶ **Fatigue & weakness:** Vitol-5G gives you a **'quick' energy boost**. Several new studies are demonstrating that grape seed extract shows a potent energetic improvement in muscles.
- ▶ **LifeStyle Diseases:** VITOL-5G is useful in prevention and maintenance of Lifestyle related issues
- ▶ **Weight Management:** Improves the body metabolism and supports healthy weight management - improves digestion and absorption of the nutrients.

## FOR OTC PROMOTION

▶ **How long should I take VITOL-5G?**

VITOL-5G can be consumed regularly as part of your daily diet or nutritional plan. It provides you with a more regular flow or balanced energy.

▶ **What is the recommended dosage of VITOL-5G?**

The recommended dosage is 1 or 2 tablets per day, to be taken preferably 30 minutes before or after meal.

▶ **Can VITOL-5G be used to strengthen the immune system?**

Yes; certainly. Our immune system serves as a barrier from harmful organisms that can cause diseases and infection. Garlic powder along with other ingredients of VITOL-5G are a powerful immune system booster. They increase the production of interferon (an antiviral compound), which improves the action of your white blood cells. Interferon and white blood cells are critical components of your body's immune system.
