

Introducing **Ginger** in a way that was never done before

WELLGIN

Ginger Extract 15 mg Soft Gelatin Lozenges

Mouth dissolving lozenge containing 15 mg Ginger Extract

- Ginger works on the respiratory system to cleanse and heal
- A study was published on Pubmed, which says that ginger provides molecular entities, which induce **antitussive** activity without addiction (www.ncbi.nlm.nih.gov/pubmed/26522239)
- Ginger has also been shown to reduce nausea and vomiting after chemotherapy is completed (www.ncbi.nlm.nih.gov/pubmed/20842754)
- Ginger has been found to be more effective than a placebo at reducing **morning sickness during pregnancy** for many women
- Research indicates that consuming up to 1 gram of ginger per day appears to be safe to treat **nausea and vomiting during pregnancy** (www.ncbi.nlm.nih.gov/pmc/articles/PMC4818021/ www.ncbi.nlm.nih.gov/pubmed/19250006)
